## **TENDERS HIS RESIGNATION.**

### **Dr Sawtelle Severs His Connection With the Malden Hospital.**

The following open letter is self-explanatory:

Mr Everell F. Sweet, Chairman of the  
Executive Committee of the Malden  
Hospital:

Dear Sir—As I have lost faith in the  
management of the Malden hospital I  
herewith tender my resignation as a  
member of the medical board and of the  
consulting staff of the Malden hospital.

I send to you, in the absence of the  
chairman of the medical board, the rec-  
ords of that board, by mail, to be trans-  
mitted to my successor when appointed  
or to the chairman upon his return.

Yours truly,

**Geo. B. Sawtelle, M D.**  
Malden, Mass, April 5, 1898.
