Hi, Jenn.

We will send the materials to the Committee this afternoon with the agenda. I honestly was not aware of the five-day requirement until earlier this week, and I had heretofore generally submitted the supporting materials on Friday.

Please be assured that beginning with the May meeting, we will send all materials to the Committee five days in advance as required by Policy BEDB.

Thank you for your patience and I am looking forward to meeting with you this afternoon.

Sincerely,

Tim

Good morning,

Was wondering when members will receive the agenda and materials? Earlier in March, Ms. Rose-Zeiberg had the policies circulated that outlined that members are to receive packets 5 days prior to the meeting. With all the chaos at the March meeting surrounding the docket, I was hoping we could follow established policies. Please advise on when we can expect to receive our materials.

Many thanks!
