Subject: FY27 Assessment Memo

Good Afternoon,

Attached to this email you will find your FY27 assessment memo and a copy of the School Committee approved FY27 budget. As is stated in the memo, any assessment increase/change is tied directly to the change in required minimum contribution determined by DESE/DOR and the normalization of the debt service payment. Please feel free to contact me if you have any questions. Thank you.

Respectfully,

Jay

James T. Picone, MBA, MCPPO
Director of Finance
