Good morning all,

Please see the agenda and supporting documents for the next Finance subcommittee meeting. Thank you to those that requested items to be placed on the agenda. It's a bit heavy but I'm confident we will get through most items.

I have a few other items to send over and will have those over shortly.

Please let me know if you have any questions

Please be advised that the Massachusetts Secretary of State's Office has determined that email is a public record, pursuant to MGL c. 66 §10, the Public Records Law. The Public Records Law provides that public records, including emails made or received in an individual's capacity as a government official or employee, must be maintained by the City as a public record subject to disclosure, unless the content of the email falls within the statutory exemptions contained in the Public Records Law.
