As a reminder, and in accordance with School Committee policy, the Clerk is required to distribute all supporting documents for upcoming School Committee meetings five (5) days in advance of the meeting. We will be adhering to this timeline moving forward.

To help ensure timely distribution, I will send a reminder one week in advance requesting all agenda items and supporting documents. Please note that agenda item submissions will be due seven (7) days prior to the scheduled meeting, and supporting documents will be due (6) days prior.

Have a great rest of your day,
Ariana Langston

Ariana,

Thank you for both sending these materials and for clarifying the policies related to agenda items and related materials. I have a quick follow-up question on that: Are weekends or holidays included in the deadlines that you listed above or do those timelines refer to business days only?

Appreciate all your help! Happy weekend to all!

Best,
Peter

Good morning,

My understanding is that weekends are included in this timeline, while holidays are excluded. Based on our regularly scheduled meetings, this would mean that all agenda items should be submitted to me by Monday, with supporting documents provided by Tuesday in advance of the anticipated Monday meeting.

Accordingly, the full Agenda and supporting materials would then be distributed on Wednesday by 6:00 p.m.

Best,

Ariana
